5 AI PROMPTS

THE 5-PROMPT DIGITAL PRODUCT STARTER KIT

The Fastest Way to Build Your Digital Product Empire!

Everything you need to go from zero to your first digital product sale — in five prompts.

PROMPT 1 - Identify Your Niche

Help me identify a profitable niche for selling digital products. I'm interested in [YOUR INTERESTS/SKILLS/NICHE]. Filter through these 6 buying triggers: make money, save money, save time, move toward happiness,, move away from pain, raise social status. Prioritize niches where the ROI is obvious. Give me your top 3 recommendations with reasoning.

PROMPT 2 - Create a Freebie

Create a lead magnet for [YOUR NICHE] that attracts buyers, not freebie-seekers. It should: 1) Solve one specific pain point quickly, 2) Give a tangible win in under 10 minutes, 3) Hit a buying trigger: [make money/save money/etc.], 4) Leave them wanting more. Give me 3 ideas with titles and why each attracts buyers.

PROMPT 3 - Create Paid Product

I have a freebie called [NAME] that helps people [QUICK WIN]. Create a paid product ($27-$47) that's the logical next step. It should: 1) Solve the bigger version of the same problem, 2) Not be overwhelming — something they'll finish, not abandon, 3) Deliver a measurable outcome. Give me 3 ideas with titles, what's included, and price point.
