THE $5K COACHING PROMPTS

The Fastest Way to Build Your Digital Product Empire!

Use these **AI prompts** to extracts your expertise into a step-by-step teaching method and turn that method into a coaching offer built around why people actually buy.

Prompt 1: The Expertise Extractor

I have expertise in [ADD YOUR NICHE OR AREA OF EXPERTISE]. I've helped people achieve [ADD THE RESULT].

Please help me extract my teaching method by asking me 10 specific questions about the exact steps I take people through, the common mistakes I help them avoid, the mindset shifts that make the difference, the timeline from start to result. After I answer, organize my responses into a clear step-by-step system I could teach to others.

Prompt 2: The Offer Builder

Based on my method for [ADD YOUR TOPIC]. Help me create a coaching offer. Make sure it hits at least one of these six buying triggers (makes money, saves money, saves time, moves toward happiness, moves away from pain, raises social status), give me what the coaching includes, who it's for, which triggers it hits, a suggested price point based on the value of the result (not my time), and a one line sales pitch I can use in my content marketing.
